

**KIRKWOOD ATHLETIC ASSOCIATION
BOYS APPLICATION FOR REGISTRATION FOR SPRING/SUMMER 2010**

KAA DOES NOT PERFORM BACKGROUND CHECKS ON TEAM PERSONNEL

Each year KAA accepts registration forms from individuals for the purpose of forming teams. We form teams at the ages of 5u and 6u for boys. We are unable to form teams beyond these ages due to space limitations. For youths 7 and older these individuals may utilize the baseball discussion board at our website at www.kwdaa.com. They may list their desires and also search the needs of managers seeking players.

Teams are formed from registration forms received and are grouped by school attending, school district, zip code of the applicant and requests to be placed on the same team, **however**, this cannot happen without volunteers and volunteers for managers, coaches, scorekeepers, etc. all come from the parental ranks. **Without parental volunteers your child may not be placed on a team.**

Applications are accepted until teams are filled which is generally the last week of January. The cost per team is \$1,650.00. Each manager will collect the league fee once the team is assembled and submit one check for the entire fee to KAA. **We do not take individual checks for each team member.** The league will provide the initial uniform consisting of a jersey with the team name and number on it and a hat. We also provide the initial team equipment consisting of 5 batting helmets with face guards, chest protector, catcher's helmet with throat protector and shin guards and a bag to carry the equipment. The league also purchases a secondary medical policy for all players and team personnel including the manager, coaches and scorekeeper. The league provides all participants with participation awards at the end of the season. Play begins in late April and concludes in late July. 5u boys will play primarily on Tuesday and/or Thursday's while the 6u boys will play primarily on Monday, Wednesday and/or Friday. A limited amount of games or rainout make ups will be played on weekends.

**AGAIN, WE DO NOT PERFORM BACKGROUND CHECKS ON VOLUNTEER
TEAM PERSONNEL**
